

SB 69

Attached in both Word Perfect and Word formats is the testimony I plan to deliver February 19 on behalf of the Connecticut State Grange concerning RB 70, AAC the Preservation of Lands Under The Control of the Department of Energy and Environmental Protection and the Department of Agriculture. I prefer the Word Perfect format, but realize many people can no longer access this format.

The Connecticut State Grange also wishes to go on record as **supporting** RB 65, AAC the Sale of Farm Products as "Connecticut Grown", RB 66, AAC Outdoor Wood-Burning Furnaces and **RB 69, AAC the Farmland Restoration and Vacant Public Lands Programs of the Department of Agriculture** but we will not be delivering any testimony on these bills.
